## TERMINAL BREAKS

*The Disconnect Reject*

48 x 60"

Acrylic and Oil on Canvas

\$5500.00

The first work finished after the pandemic started portraying a bull that has escaped its pen. The series as a whole explores reality vs virtuality and that we have imprisoned ourselves in technological boxes. The quarantine made sure that we rely on technology to interact with one another, but the fact remained that there just ain't nothing like the real thing.
