

SCOTT ALLEN ROBERTS

Fine Visual Arts Created In New York's Hudson Valley

PERPETUUS

A FRAGILE GENESIS

This Place is The Oldest Friend of Mine

60 x 48"

Acrylic and Oil on Canvas

2021

\$6,500.00

A depiction of one of the first views that Roberts became familiar with in upstate New York. A perpetually green pond sits in a meadow with a large open sky. The work continues to excavate humanity's question of connection to mother nature. The viewer can look through a window into a possible mythic and forgotten past of bio-interconnectedness.
