## A FRAGILE GENESIS

A Fragile Genesis  
68 x 60"  
Acrylic and Oil on Canvas  
SOLD

In the new pandemic consciousness, hope sits listlessly on the horizon, opportunities are rife for the taking, but temptations and illusions lay in the shadows blurring our understanding of the world around us. A Fragile Genesis looks to glean from the shadow the work we must do for a better future. Can we aim to be more equanimous, fair, and inclusionary?
