## TERMINAL BREAKS

Arcadian Æther

48 x 60"

Acrylic and Oil on Canvas

\$8000.00

One of the most recently completed works in the developing chapter of work, this piece explores pragmatism. With a new wave developing in the pandemic, but with less social naivety and fear, our society moves forward with more courage than back in the early days of March. A pink dawn reflected on a lily pad pond excavate concepts of dissecting illusions, creating new paths in life, and taking a leap of faith.
