PERPETUUS

TERMINAL BREAKS

Evening Solitude

42 x 36"

Acrylic and Oil on Canvas

\$3850.00

Part of chapter 1 of the Perpetuus series from 2018, the bleak and toned down style addresses the bleak austerity of winter. This work portrays 3 concept charged artifacts on a table overlooking a moonlit hill. It is in solitude where we can both lose and find ourselves, and it is the dark night where mysteries are uncovered.
