PERPETUUS

A FRAGILE GENESIS

Eager to Stall

36 x 46"

Acrylic and Oil on Canvas

2021

\$3,600.00

A work about resisting change, fighting the inevitable or 'swimming upstream'. A lone tulip has been tossed through a dominating dawning sky. Concepts of fertility and fragility are depicted via the gestural nature of the tulip while the dawning sky invites the idea of something ominous.
