PERPETUUS

A FRAGILE GENESIS

Post Millenium Tension

32 x 40"

Acrylic and Oil on Canvas

2021

\$2,500.00

Something sinister, doubts, and good luck are themes that play into this depiction of a dawn over a rippling lake. Framed by two silhouetted trees and a dark owl, the foreground is bright array of cattails and 21 Tulips. The new era in a pandemic world has shaken our society up, we have second guesses, and are filled with fear but perhaps some good luck is headed our way!
